SUPPLEMENTARY INFORMATION: The Disaster Loan Program is an SBA financing program authorized under the Small Business Act of 1953, 15 U.S.C. 636 *et seq.* SBA provides low-interest disaster loans to help businesses and homeowners recover from declared disasters. The information collection that is approved under OMB Control Number 3245-0017 facilitates the ongoing administration of the Disaster Loan Program. This information collection currently consists of SBA Form 5, in both English and Spanish, titled Disaster Business Loan Application, and SBA Form 1368, in both

English and Spanish, titled Additional Filing Requirements Economic Injury Disaster Loan (EIDL) and Military Reservist Economic Injury Disaster Loan (MREIDL). SBA recognizes that this information collection needs to be modernized to meet the needs of homeowners and small business applicants during their recovery after a disaster. As a result, SBA intends to make revisions to this information collection that would streamline the process. These form revisions will result in greater clarity and understanding for victims applying for assistance. SBA Form 5 will be updated to incorporate all business types including sole proprietors which may be moved from SBA Form 5 C, Disaster Home and Business (Sole Proprietor) Loan Application. Questions on SBA Form 5 will be reorganized and simplified, and as needed other questions may be added based on the Agency's recent experience with the Coronavirus pandemic.

SBA is requesting comments on (a) Whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.
